

Being Right

Orlando is still reeling, and it makes you wonder if the fates have decided that Mickey has had a good run, but now it's over.

Of course, the tragedies have given The Donald ample opportunities to show his ignorance on almost all topics. The Donald has criticized the President for caring more about Muslims than the people shot. I guess next The Donald will criticize the President for caring more about alligators than little children.

The Donald's ignorance, like his sense of decorum, knows no bounds. Taking a victory lap for his imaginary friends congratulating him for "being right about the Muslims", is the lowest of the low.

Sadly, I feel The Donald will find a way to sink lower.
